Hi guys

Sorry for delay. Multiple technical difficulties over here, can't get EPA webmail to work at all.

Some very minor tweaks on your proposed blurb - note I corrected name of WV local health, which is Mid-Ohio Valley Health Dept not Wood County confusingly - and added we are also coordinating with Ohio state health. ATSDR ER also working on a more detailed followup email for you that we need to clear further with our HQ and state/local health. Might have our followup email ready by tomorrow at some point, will certainly try to keep pushing on it, which you or local health could use to add to website info as you see fit.

Lora
